**FROM Revd RUTH HATCHETT**

Dear Friends

Perhaps that is a little presumptuous of me in what I hope will be the first of many articles. I feel very blessed in coming to you in December when there are so many opportunities to meet and get to know people at the many Christmas activities and I look forward to meeting as many of you as possible over the coming months.

“Christmas is for the children” is something we often hear said. It’s certainly good to see children enjoying learning to be generous, to witness their anticipation and excitement, to experience the joy of giving and sharing. Children have so much to teach us about hope and celebration. But what if providing the children with a ‘good’ Christmas places a strain on our family relationships or budget? Or perhaps there aren’t any children in your immediate family. If children are the main focus of attention and the only ones to benefit at Christmas time, there might be all sorts of reasons why adults might feel under pressure or excluded by the festivities. The attitude of Ebenezer Scrooge is quite rare these days – we are less inclined to stand out from the crowd and make ourselves unpopular, preferring to go along with the celebrations or quietly escape.

Christmas is certainly about a child; the child Jesus, born in poverty to an unmarried mother in an occupied country. A child who Christians believe was God himself; God come to earth as a helpless human baby, to live alongside us and show us just how much He loves us; to bring home the reality that God’s spirit, God’s life is not only with us but within each one of us.

Christmas is certainly about a child but it’s not just for the children. Its message is one of generosity: our responding to God’s generosity to us by being generous to one another. There are many ways of showing generosity – not just giving cards and presents to our family and friends; not just in material things but being generous with our time and giving people we don’t perhaps like or get on with the ‘benefit of the doubt’. And it need not cost a lot of money. When we think back over the Christmases of our past, it’s often the simple things that stand out – simple gifts, homemade and given and received with love; time spent helping people in need; welcoming someone who’s on their own to a shared meal. Our generosity and God’s generosity is what makes Christmas special – and it’s for everyone, not just the children.

I wish you all a blessed Christmas  
Your Vicar Ruth

Each Wednesday at Noon at Sutton – a quiet reflective service of Holy Communion

**CAROL SINGING.** This year it will be the evening of **Wed 9<sup>th</sup> Dec.** meeting at the Mill House at 6.00pm for a 6.30pm start. Please come and join us and bring a torch, warm clothes and optional hip flask.

**MEMORIES SERVICE** The people of St Andrew’s Church, Boyton warmly invite you to Light a Candle and Name a Star in memory of a loved one at their annual Memories Service on **Sat 12th Dec** at 3pm.

All are welcome to this quiet, reflective service which many people have found helpful at this time of year.

**THANK YOU** to all who donated to Judith’s Retirement Gift - the grand sum of £375 was received from Shottisham. Shottisham, Bromeswell and Sutton have come together to commission a painting of the three churches and buy an iPad Air 2 for Judith which was presented on her last day as Priest in Charge, 22<sup>nd</sup> November 2015 along with a cheque for her to spend as she wishes.

All those who left their names with their donations I have listed on a card to be given to Judith, thanking her for all that she has given our community over the last 7 years.

**22<sup>nd</sup> November 2015.** A day I will never forget. It started with an amazing service at Shottisham. It was so good to see old and new friends, older people and youngsters. We moved to Sutton, filled with people from many years ago, wedding couples and friends met recently. The lunch at Bromeswell completed the day, the gorgeous lunch, and, of course, the cake made by my wonderful husband. Sadly, Amelie could not be with us as she had tonsillitis, but the two collections raised £1390.00. This will be sent to Reverse Rett Syndrome. It may be that on 4<sup>th</sup> December this total can be matched online by a group of business men. I received an Apple i-Pad, many gifts and a cheque, also so many lovely cards. Thank you all so much, there are no words to express my gratitude. I have had seven wonderful years getting to know you all and working alongside. I can only hope I have set you up for the future. God bless you all, *Judith*

**SHOTTISHAM PARISH COUNCIL**

Following further reports of speeding in the village, the Council has agreed to look into the possibility of establishing a Speedwatch programme, jointly with Sutton & Bromeswell. This will involve the purchase of a speed gun to be used by volunteers to monitor traffic speeds. The Council is also contacting Highways department in an effort to obtain some progress on traffic calming measures proposed for Ford Hill.

Given the poor mobile phone coverage the Council has agreed to leave the telephone kiosk in BT ownership, and I can confirm that the phone is now operational, but it will only accept payment by card.

Cllr. Jay Fletcher has been trained to manage the Parish Council website and is in the progress of updating it with all the appropriate information. It can be viewed at <http://shottisham.onesuffolk.net/shottisham-parish-council/>

Following the public meeting in October the Council has sent a formal response to the SCDC concerning the Shottisham Conservation Area Appraisal. We received an updated document relating to SCDC Preferred Options for housing development. They still expect us to have 6 new houses, but they have indicated that none of the currently identified sites are considered suitable. We will seek advice on how they expect us to proceed.

The Council has made payment of £800 to support the work currently being undertaken to improve the Trust Hall.

I wish to record our thanks to Broxstead Estate for the work they have recently undertaken on some of the footpaths, and also to Nick White for clearing a tree that had blocked the path by the allotments.

We still have an unfilled place on the Council. If you feel that you can make a contribution to our community in this way please contact our clerk at (cont) **Jenny Webb**, 5 Fern Terrace, The Street, Bawdsey, Woodbridge IP12 3AH. Tel: 01394 410198 Email: [shottishampc.clerk@gmail.com](mailto:shottishampc.clerk@gmail.com)

**The mobile police unit** is visiting Shottisham on **Thurs10th Dec** between 12.15 - 13.45 at the layby on The Street. This gives residents the chance to air any views on local policing issues.

**Meetings** are usually held on the 2nd Tuesday of alternate months in the Trust Hall. If you would like an email or hard copy of the minutes of the last meeting please contact the Parish Clerk [shottishampc.clerk@gmail.com](mailto:shottishampc.clerk@gmail.com). The next Parish Council Meeting is Tues 12<sup>th</sup> Jan at 7.30pm in the Trust Hall. All welcome. The Agenda will be put up on the Parish Council notice board at least three days before the meeting or can be viewed on the Shottisham website [www.shottisham.onesuffolk.net](http://www.shottisham.onesuffolk.net) which has recently been revived. *Mike Hazelwood, Chairman*
