## FROM THE CHURCH

Dear Friends

As new life continues to unfold around us during April our church communities turn their attention to honouring and celebrating all that took place during the past year and to looking forward to the future. This month each of the seven parish churches of the Deben 'cluster' will hold their annual meeting. Far from being a boring business meeting it is an opportunity for everyone to find out what has been happening and to have a say in plans for the future.

Each annual meeting is, in fact, 3 meetings rolled into one. The first meeting is the 'Annual Meeting of Parishioners' (previously known as the 'Vestry meeting'). Everyone who lives in the (ecclesiastical) parish, together with all those on the church electoral roll, is entitled to attend and vote at this first meeting at which two churchwardens are elected to serve for the next 12 months. It is the responsibility of the churchwardens to ensure that the people and church building(s) are cared for and church services provided. Anyone aged 21 or over can stand for election as a churchwarden provided they are on the church electoral roll, receive communion regularly, and are not disqualified from being the trustee of a charity.

If you would like to be included on the church electoral roll forms are available at the back of church.

The second meeting is the main one where we review the activities of the church in 2015 and make plans for the future. Several people (usually 6) are elected to the 'parochial church council' (PCC) to take forward those plans over the coming year. Whilst only those on the church electoral roll can stand for election and vote at this meeting, I encourage and welcome anyone who is interested to come and hear what is going on, ask questions, and express their views on the activities of the church past, present and future.

Among the plans we will be discussing is a change to the regular pattern of services so that there is a better balance, with a traditional (Book of Common Prayer) communion service, a modern language communion service, a service without communion and an evening service available somewhere within the Deben 'cluster' every Sunday (except 5<sup>th</sup> Sundays).

Finally, the newly-elected PCC holds a short meeting to elect a vice-chair (the vicar is the chairman of the PCC), secretary and treasurer and discuss any urgent business.

**Edward Saxelby Price (Ted)** It was with great sadness that we received the news of Ted's death on March 20<sup>th</sup>, in his 91<sup>st</sup> year. Ted was a key figure in the village, originally being involved with Riding for the Disabled, and then as a keen supporter of the local church he became church warden. He was involved in all manner of activities and all aspects of village life, and was often the 'go-to' man when needed – volunteering to organise, fix or advise. As a result he made many good friends in the village; he was a much loved and unique gentle man, and he will be missed by us all. Our thoughts are with Dorothy and the family.

### **SWIFTS in WOODBRIDGE – please contribute to our 2016 survey**

The Woodbridge RSPB Local Group is continuing its campaign to save our swifts and again we need your help. For information about our 2015 survey please see the article on the group website.

In our 2016 survey we are looking for swift nest sites either in roofs or nest boxes. Between early May and early August if you see swifts flying at roof level, particularly around the eaves, this could be a nest site. You may see them flying directly into a hole or through a loose tile into the nest with food for the young. If it is your house you may hear them from the upstairs rooms. Another sign of breeding swifts is 'screaming parties'. These are the groups of birds which fly around in a tight group, at or just above roof top height.

We would like to hear about nest sites and screaming parties. So please send us your records with your name, the address and post code of the nest site. For screaming parties please tell us the date, the address and postcode. We would be glad to receive any extra details about the activity around your swift nest such as when the swifts arrived and how often you see them.

Please send the information to this email address [woodbridge-swifts2015@outlook.com](mailto:woodbridge-swifts2015@outlook.com). For swifts sightings in Ipswich please contact Chris Courtney [www.rspb.co.uk/groups/ipswich](http://www.rspb.co.uk/groups/ipswich) or email [chrisc.courtney@yahoo.co.uk](mailto:chrisc.courtney@yahoo.co.uk).

This year we are working with Save Our Swifts, the Suffolk based group which is aiming to record all known swift nest sites by 2020.

All the data which we receive will also be entered onto the RSPB and SWT websites. In this way we will be making a major contribution to the national picture of swift numbers and distribution. We have several leaflets available which can be sent by email, contact [woodbridge-swifts@outlook.com](mailto:woodbridge-swifts@outlook.com) or viewed and downloaded from our website, [www.rspb.org.uk/groups/woodbridge](http://www.rspb.org.uk/groups/woodbridge) where you will find links to other swift websites. You also can obtain them from the RSPB Woodbridge Group's monthly meetings on the first Thursday in the month from October to May at Woodbridge Community Hall. *Jenny James* RSPB Woodbridge Local Group
