## FROM THE CHURCH

Dear Friends.

Sport has been much in the news these last few weeks and the 'summer of sport' is set to continue with the Olympic Games this month. Competitive sports can both unite and divide us. If we support different teams or individuals then it can lead to division and even conflict. If we play for or support the same team, it brings us together and we forget our differences. In the recent European Cup football competition the importance of playing as a team was demonstrated in the difference between the performance of the English and the Welsh sides. The men playing for the Welsh team had been together for a long time; had pretty much grown up together and that seemed to make all the difference.

If you're a fan of competitive cycling, you'll know that the various teams in the Tour de France work together, taking turns to lead and support the other team members so that it's not just down to one person to make all the running on their own.

The importance of working as a team extends into many areas of life, not just sport. There is a popular saying - often mocked - that 'there's no 'i' in 'team' and 'team-building' has become a requirement in many workplaces. It is an important focus for our new prime minister. We are certainly 'stronger together' but it can also be important to put maximum energy and focus into achieving our own personal goal, whatever that might be. St Paul in his letter to the church at Corinth writes "*Do you not know that in a race all the runners run, but only one gets the prize? Run in such a way as to get the prize.*" But he too recognises the importance of combining the different skills and abilities of many people to achieve something together, pointing out that a human body is made up of many different parts, with different functions and shapes – all necessary to the whole. Working together in harmony we can achieve so much more than we can on our own.

Wishing you every blessing

Ruth Hatchett

## SHOTTISHAM PARISH COUNCIL

The last month has seen a few improvements in the village - the trees on Hollesley Road, just beyond Heath Drive, have now been cut by Adeanes. Most of the footpaths on Broxhead Estate have been cut. Any others may now have to be done after harvest. There are some which they cannot reach, so the Parish Council will try to do those - offers of help with that will be gratefully received, please contact me or Lotti. The playing field has been tidied up, and we have an arrangement in place with Norse to do further cuts, as required, for the rest of this year. The grass under the railings along the Street has also been strimmed.

The roadworks at Ford Hill have been postponed. They are now scheduled to take place between 5th and 16th September. I will try to obtain more detail on that. There is to be a road closure outside Coltec, in Hollesley, from 1st to 5th August. This may mean additional traffic coming through Shottisham, so please take special care during that period.

Due to the resignation of Liam Heron there is now a vacancy for another Councillor. If you would like to be considered for this role please contact the Clerk [shottishampc.clerk@gmail.com](mailto:shottishampc.clerk@gmail.com), or any Councillor.

Regards Mike H

The Pothole on the Street has been photographed and sent to Highways "Report a Pothole" on SCC website <https://www.suffolk.gov.uk/>. ANYONE-not just the parish council- can report a pothole or other road problem under REPORT on the above website. The road has been marked for repair. Hopefully that will be completed soon.

CATS (Coastal Accessible Transport Service Ltd) has taken over the Link Bus. The new phone number is 01728-635938. New volunteers are

being sought to man the door to door services and community cars. Contact the above number if you can help.

Update on Walking information: See Stepping out in Suffolk which organises local walks on [www.onelifesuffolk.co.uk](http://www.onelifesuffolk.co.uk) and the Suffolk Year of Walking [www.onelifesuffolk.co.uk](http://www.onelifesuffolk.co.uk)

**DEVOULATION:** People across Norfolk and Suffolk are being asked for their views on a proposed devolution deal and associated governance arrangements for the two counties. Devolution is about transferring certain decision-making powers and funding from Central Government to a local area. It means that decisions are taken closer to where they have an effect. The majority of councils across Norfolk and all in Suffolk, along with the New Anglia Local Enterprise Partnership, supported the deal and agreed to ask the public for their views. People can have their say by visiting [www.eastangliadevo.co.uk](http://www.eastangliadevo.co.uk) and completing the online survey or the hard copy version. The website also includes further information about the proposed deal and the role of the proposed Combined Authority and Mayor. Consultation will run until 23 August. Regards, Jenny (Clerk)

**MEETINGS** are usually held on the 2nd Tuesday of alternate months in the Trust Hall. If you would like an email or hard copy of the minutes of the last meeting please contact the Parish Clerk shottishampc.clerk@gmail.com. The next meeting will be on Tues **Sept 13<sup>th</sup>** at **7.30pm** in the Trust Hall. All welcome. The Agenda will be put up on the Parish Council notice board at least three days before the meeting or can be viewed on the Shottisham website [www.shottisham.onesuffolk.net](http://www.shottisham.onesuffolk.net) which has recently been revived.
