Stanley's friend North star to

Dear Friends

One of the (many) memorable moments of the film 'Stanley's War' is how and mentor Arthur Hunt teaches him to use the stars (and, in particular, the find his way. "Follow the star and you won't get lost". Stanley passes this knowledge on to his comrades on the WW1 battlefield when they are wandering in circles and they are able to get back to base before the explosives go off. 'Following the stars' might mean different things to different people. These days we more likely to use satellite navigation than the stars in the sky to find our way. It could be interpreted as following the fortunes of celebrities or trying to imitate them. Or we might think of consulting our horoscope for astrological guidance according to the signs of the zodiac. It's quite likely that the wise men who visited the infant Jesus in Bethlehem were astrologers. We are certainly told that they were guided by a star. This Christmas the Church of England is encouraging us too to 'Follow the Star'; to make our journey to meet Jesus. For many of us, Christmas brings up so many emotions, memories and expectations. For you it might be a time of joy and togetherness. Or perhaps it's all about planning and to-do lists. Many others can find it a sad and lonely time. But just like the unexpected assortment of people who were invited to meet the baby Jesus, #FollowTheStar doesn't ask you to be perfect. It says: come just as you are to take the life-changing Christmas journey. If we follow this star, it will help us find our way. Wherever you are this Christmas, you are invited to follow the star and to be with Jesus. You are welcome. You are deeply known and truly loved. Each Christmas we are reminded of God's longing to surprise us with his gift of joy, love and new life. It's the greatest present we can receive and share with others! Wishing you every blessing this Christmas,

*Ruth Hatfield*

We have now been informed that they will be in place for approximately another year. The number to call in case of them breaking down during the week is [01473/834960](tel:01473834960). If they fail at the weekend please call us on [01394/410331](tel:01394410331) and we will report it to an Emergency Number (so keep these numbers safe). Please be mindful of the way you drive through the lights, we know it is frustrating but they are there for a reason and there have been instances where people have jumped them, eventually this will result in an accident. Also please remember we have to live here and it is just as frustrating for us! Thank you for your co-operation Dawn & Ray Kay

Mary-Jane researched the names of the fallen on the War Memorials for Sutton and Shottisham and she has produced an information board for each name. She must have spent many hours not only on the research but on putting the display together. If you have not already been into the Church to see her display I would urge you to do so.
