## Did you miss out?

At the beginning of July, a group of people from Hollesley, Alderton and Bawdsey (pictured above) travelled to Scargill House, a Christian holiday and conference centre in the Yorkshire Dales to join around 80 others for a four day holiday/retreat. There were three options, "Who's on the big screen", "Seeing Creation: God's art and ours" and, for those who wanted a less cerebral challenge, a "Dales holiday", as it was described, walking in "God's own County!" For those of us who took one of the first two options, we had the afternoons free so we too could walk in "God's county" and it is breathtakingly beautiful.

Scargill is run by a community of Christian volunteers, into whose home we were warmly invited. From the moment I arrived I felt that indeed this was a living, breathing home to be appreciated, respected and enjoyed. Of course there were prayers, it is a Christian house but there was no pressure. If you didn't want to go to the uplifting chapel, you didn't have to but if you didn't, you missed out.

There is too much to say in a brief article but if anyone is interested the web site is [www.scargillmovement.org](http://www.scargillmovement.org) or ask any of us who went. I was unsure; I had never been on a retreat before; would I go again? You bet! *Jim Wyllie 411792*

*Revd Ruth adds:* there will be an opportunity to hear more about our time at Scargill on **Saturday 10<sup>th</sup> August at 10am in Hollesley church**. All are welcome.

**THE SORREL HORSE IN AUGUST**

Sorrel Horse Shottisham Ltd has a new website at <https://www.sorrelshareholders.com>

Some pages are open access with others just for shareholders. The new email address is [admin@sorrelshareholders.com](mailto:admin@sorrelshareholders.com)

As mentioned in last month's newsletter if you would like to consider being a director then please express your interest by **30th August 2019** either by email or by writing to the company's office at 8 Deben Mill Business Centre, Woodbridge, IP12 1BL. You do not need to be a shareholder to be a director.

We shall be open all day every day during the summer holidays. The Shepherds Hut will be open at the weekends with the fire pit alight in case the evenings are a little chilly. We shall be serving beers, wines and Pimms to complement watching the sunset over our pretty village, what could be better! The revised wine list is also now available reflecting the long balmy summer days when quaffing a bottle outside may be a joy! The monthly buffet evening will be a Curry theme on **Tuesday 13th August**. Also the annual cricket and rounders match will be taking place at Alderton with a complimentary BBQ at the Swan afterwards on **Saturday 24th August**. Please sign up at either pub! Best of all though, thanks to an excellent collaboration with the church, will be our inaugural church concert to be held on **Friday 30th August 2019 at 8 pm**. By popular demand we have invited 'A Saucerful of Floyd' to play for us. Entry will be free, donations gratefully received with proceeds to the Church. More details can be found at the pub and across our social media sites. Places will be limited so please place your names and seats required with Andrew or Tony at the pub. Thinking of recent events in the village, Leila and I felt that it was most appropriate to remind the village of the **defibrillator** available at the Sorrel Horse in case of emergency. The code to open the safety casing unit is **C159X**. We are also planning a training course which was included in the price of the unit, so if any villager is interested to attend at a future date we can create a list.

??? **Quizzes** this month are on **14th** and **28th** starting at 8.30 pm. *Gary Miller*
