

# Shottisham Village Newsletter

Dear Friends

November seems a month well-suited to remembering. Perhaps it is the signs of autumn around us – falling leaves, the dark evenings and mornings, birds migrating, insects and animals hibernating. Time to remember the long, hot days of summer but also, often, those whose earthly life is over. On the first day of November, we remember 'All Saints' – to which the church in Sutton is dedicated. 'All Saints' include not just those people who have officially been declared by the church to be saints because they were well known for their holiness. It includes all those who have influenced us for good; those who have taught us and demonstrated Christian faith and values. It is a festival of light and joy and celebration, of the triumph of good over evil, light over darkness. How lovely and appropriate to be able to celebrate it this year with the firework display at the Sorrel Horse on All Saints' Day – Friday 1<sup>st</sup> November.

On Remembrance Sunday we remember all those who lost their lives while serving their country in the armed forces. We honour the memory of those men and women who gave their lives so that we might live in freedom and peace. There will be a Service of Remembrance starting at 10.50 on Sunday 10<sup>th</sup> November, at All Saints' Church, Sutton when we will remember those from both Sutton and Shottisham who died in the service of their country.

To 'remember' is not just a case of thinking about the past. The word has its roots in 're-remembering' – putting something back together, rather like a jigsaw; bringing it into a present reality and making it relevant for today.

Each Sunday – and many other days of the week too – Christians remember Jesus who also laid down his life for us, so that we could be freed from the fear of death and evil and experience a close and eternal relationship with God. In the bread and wine of the communion service we remember Jesus and his presence becomes real and relevant in today's world.

Let us re-remember and be thankful this November.

Wishing you every blessing *Ruth Hatchett*

During the three weeks leading up to Christmas Eve, our knitted nativity scene will again be travelling around our villages looking for a stopping place each night. Each home will keep one of the little sheep until Christmas Eve when the sheep can all be brought to Hollesley or Sutton church for the Christmas Eve service to be reunited with their friends. Could you give Mary & Joseph, donkey & sheep, shepherds & wise men a place to rest for the night during December? Please get in touch via telephone or email if you would like to host the travelling crib. I will need your name, address &

telephone number and any dates which would not be convenient. You will need to make arrangements to pass the crib on to the next person on the list – after school perhaps? Helen Shand [hmshand@btinternet.com](mailto:hmshand@btinternet.com) 01394 389013

**SHOTTISHAM EMERGENCY PLAN**

After six years I will be stepping down from my role associated with the Shottisham Emergency Plan at the end of October 2019, as will Miranda Harrison. We are therefore looking for two new volunteers to replace us to continue the work of this group for the benefit of all the villagers and community as a whole. Shottisham is part of the East Suffolk Community Emergency Planning Group and our plan is available on the Suffolk Resilience website. Please contact me by email ([diana@bouscarle.co.uk](mailto:diana@bouscarle.co.uk)) if you are interested and would like to know more details about this rewarding work. I would also like to encourage everyone who has not already done so to join the village WhatsApp group by sending your mobile number to the same email address. This forum keeps participants up to date with daily issues affecting the village.
